

advisoroffice

about us

The Advisor Office are specialists in providing Employee Benefits solutions for expatriates, locals and travellers. We are experts in the African market and have provided advice and solutions for many Individuals and Companies operating in Africa and around the world.

We believe in taking care of people

A specialised international and local Employee Benefits Advisor with a passion for taking care of people. We understand every client is unique with individual needs. We make it our business to understand and care for clients and members, from selecting the right option, to assisting with advice and intermediary services to ensure your wellbeing is taken care of at all times.

Specialised care and advice

We go beyond just providing quotations and are focused on the full solution, providing personal assistance when our clients and members need it most, backed by a wealth of expertise and years of experience across the African continent and the rest of the world.
